DECLARATION UNDER SUBSECTION 196B(9)

OF THE VETERANS' ENTITLEMENTS ACT 1986

The Repatriation Medical Authority (the Authority), under subsection 196B(9) of the *Veterans' Entitlements Act 1986* (the Act), makes the following declaration in respect of the review of the contents of the Statements of Principles in force under the Act concerning **rotator cuff syndrome**, Instrument Nos. 100 and 101 of 2014.

The investigation related to "statins". The Notice of Investigation was published in the Government Notices Gazette of 9 December 2015.

The Authority declares that it does not propose to amend Statements of Principles, Instrument Nos. 100 and 101 of 2014, concerning **rotator cuff syndrome** for the reason that the new sound medical-scientific evidence available is not sufficient to justify an amendment to the Statements of Principles already determined in respect of **rotator cuff syndrome**.
