

## PAGET'S DISEASE OF THE BONE

RMA ID Number	Reference List for RMA237-3 as at February 2015
37571	Agency for Toxic Substances & Disease Registry (2005). DRAFT - Toxicological Profile for Benzene.
37753	Agency for Toxic Substances and Disease Registry (1998). Toxicological profile for chlorinated Dibenzo-p-dioxins. Accessed at <a href="http://www.atsdr.cdc.gov/toxicprofiles/">www.atsdr.cdc.gov/toxicprofiles/</a>
38360	Agency for Toxic Substances and Disease Registry (1998). Toxicological Profile For Chlorinated Dibenzo-p-Dioxins. US Department of Health and Human Services. Public Health Service.
37755	Agency for Toxic Substances and Disease Registry (2001). Toxicological profile for pentachlorophenol. US Department of Health and Human Services.
37748	Agency for Toxic Substances and Disease Registry (2002). Toxicological Profile for DDT, DDE and DDD.
38365	Agency for Toxic Substances and Disease Registry (2004). Toxicological Profile for Vinyl Chloride. US Department of Health and Human Services, Public Health Service.
38325	Agency for Toxic Substances and Disease Registry (2005). DRAFT - Toxicological Profile for Lead. US Department of Health and Human Services, Public Health Service.
38357	Agency for Toxic Substances and Disease Registry (2005). Draft Toxicological Profile For Arsenic. US Department of Health and Human Services, . Public Health Service.
38361	Agency for Toxic Substances and Disease Registry (2005). Toxicological Profile For Naphthalene, 1-Methylnaphthalene, and 2-Methylnaphthalene. US Department of Health and Human Services. Public Health Service.
38359	Agency for Toxic Substances and Disease Registry (2005). Toxicological Profile For Xylene. US Department of Health and Human Services. Public Health Service.
38358	Agency for Toxic Substances and Disease Registry (2005). Toxiocological Profile For Carbon Tetrachloride. US Department of Health and Human Services. Public Health Service.
37754	Agency for Toxic Substances and Disease Registry (ATSDR) (1999). Toxicological Profile for Chlorophenols . US Department of Health & Human Services.
21786	Agency for Toxic Substances and Disease Registry (ATSDR) (1999). Toxicological profile for ionizing radiation. US Department of Health and Human Services, Public Health Service, Atlanta, GA.
21785	Agency for Toxic Substances and Disease Registry (ATSDR) (1999). Toxicological profile for uranium. . , . US Department of Health and Human Services, Public Health Service, Atlanta, GA.

35227	Agency for Toxic Substances and Disease Registry (ATSDR) (2001). Toxicological Profile for Asbestos, . Department of Human Services, Public Health Service, Atlanta, GA.
33722	Agency for Toxic Substances and Disease Registry (ATSDR) and the Environmental Protection Agency (EPA) (2002). Toxicological profile for beryllium. Toxicological Profiles . US Department of Health & Human Services, Public Health Service, Atlanta, GA.
