

PAGET'S DISEASE OF BONE

RMA ID Number	Reference List for RMA237-4 as at June 2023
---------------	---

110289	Abdulla O, Naqvi MJ, Shamshuddin S, et al (2018). Prevalence of Paget's disease of bone in Lancaster: time for an update. <i>Rheumatology (Oxford)</i> , 57(5): 931-2.
102445	Agency for Toxic Substances and Disease Registry (ATSDR) (2020). Toxicological Profile For Lead, U.S Department of Health and Human Services.
21785	Agency for Toxic Substances and Disease Registry (ATSDR) (1999). Toxicological Profile for Uranium. US Department of Health and Human Services, Public Health Service.
21786	Agency for Toxic Substances and Disease Registry (ATSDR) (1999). Toxicological profile for ionizing radiation. US Department of Health and Human Services, Public Health Service, Atlanta, GA.
102869	Agency for Toxic Substances and Disease Registry (ATSDR) (2021). Toxicological Profile for Perfluoroalkyls. US Department of Health and Human Services.
33722	Agency for Toxic Substances and Disease Registry (ATSDR) and the Environmental Protection Agency (EPA) (2002). Toxicological profile for beryllium. Toxicological Profiles. US Department of Health & Human Services, Public Health Service, Atlanta, GA.
35227	Agency for Toxic Substances and Disease Registry (ATSDR) (2001). Toxicological Profile for Asbestos. Department of Human Services, Public Health Service.
35464	Agency for Toxic Substances and Disease Registry (2005). Toxicological Profile for Carbon Tetrachloride, U.S Department of Health and Human Services.
37571	Agency for Toxic Substances & Disease Registry (2005). Draft for public comment. Toxicological Profile for Benzene.
37748	Agency for Toxic Substances and Disease Registry (2002). Toxicological Profile for DDT, DDE and DDD, U.S Department of Health and Human Services.
37754	Agency for Toxic Substances and Disease Registry (ATSDR) (1998). Toxicological Profile for Chlorophenols, US Department of Health & Human Services.
37755	Agency for Toxic Substances and Disease Registry (2001). Toxicological Profile for Pentachlorophenol, U.S Department of Health and Human Services.
38325	Agency for Toxic Substances and Disease Registry (2005). DRAFT - Toxicological Profile for Lead, US Department of Health and Human Services, Public Health Service (Atlanta, GA).
38357	Agency for Toxic Substances and Disease Registry (2005). Draft Toxicological Profile For Arsenic. US Department of Health and Human Services, Public Health Service.

38359	Agency for Toxic Substances and Disease Registry (2007). Toxicological Profile For Xylene. U.S Department of Health and Human Services.
38360	Agency for Toxic Substances and Disease Registry (1998). Toxicological Profile For Chlorinated Dibenzo-p-Dioxins. US Department of Health and Human Services.
38361	Agency for Toxic Substances and Disease Registry (2005). Toxicological Profile For Naphthalene, 1-Methylnaphthalene, and 2-Methylnaphthalene, U.S. Department of Health and Human Services.
38365	Agency for Toxic Substances and Disease Registry (2006). Toxicological Profile for Vinyl Chloride. US Department of Health and Human Services, Public Health Service.
