

## NOTICE OF INVESTIGATION

### Section 196G of the *Veterans' Entitlements Act 1986*

The Repatriation Medical Authority gives notice under section 196G of the *Veterans' Entitlements Act 1986* (the Act) that it intends to carry out an investigation in respect of **varicose veins, particularly in relation to prolonged standing and straining while standing** following a request for review under section 196E(1)(f) of the Act.

This investigation will be carried out in the context of Statements of Principles concerning varicose veins (Instrument No. 3 of 1995).

The Authority invites the following persons and organisations to make written submissions to the Authority in respect of the investigation:

- any person eligible to make a claim for pension under Part II or Part IV of the *Veterans' Entitlements Act 1986*;
- any organisation representing veterans, Australian mariners, members of the Forces, members of the Peacekeeping Forces or their dependants;
- the Repatriation Commission; and
- any person having expertise in a field relevant to the investigation.

The Repatriation Medical Authority will hold its first meeting for the purposes of the investigation on **29 May 1998**.

Under the *Veterans' Entitlements Act 1986*, the RMA is required to find out whether there is a new body of sound medical-scientific evidence about varicose veins, particularly in relation to prolonged standing and straining while standing. Therefore, persons and organisations wishing to make a submission should obtain from the RMA Secretariat (at the address and phone number below) a copy of the *RMA Submission Guidelines*.

All submissions must be in writing and received by the Authority at the address below no later than **I May 1998**.
