

## NOTICE OF INVESTIGATION

### Section 196G of the *Veterans' Entitlements Act 1986*

The Repatriation Medical Authority gives notice under section 196G of the *Veterans' Entitlements Act 1986* (the Act) that it intends to carry out an investigation in respect of **pterygium, particularly in relation to exposure to ultra violet rays and environmental irritation** following a request for review under section 196E(1)(f) of the Act.

This investigation will be carried out in the context of Statements of Principles concerning pterygium (Instrument No.253 of 1995).

The Authority invites the following persons and organisations to make written submissions to the Authority in respect of the investigation:

- any person eligible to make a claim for pension under Part II or Part IV of the *Veterans' Entitlements Act 1986*;
- any organisation representing veterans, Australian mariners, members of the Forces, members of the Peacekeeping Forces or their dependants;
- the Repatriation Commission; and
- any person having expertise in a field relevant to the investigation.

The Repatriation Medical Authority will hold its first meeting for the purposes of the investigation on **29 May 1998**.

Under the *Veterans' Entitlements Act 1986*, the RMA is required to find out whether there is a new body of sound medical-scientific evidence about pterygium, particularly in relation to exposure to ultra violet rays and environmental irritation. Therefore, persons and organisations wishing to make a submission should obtain from the RMA Secretariat (at the address and phone number below) a copy of the *RMA Submission Guidelines*.

All submissions must be in writing and received by the Authority at the address below no later than **I May 1998**.

The Common Seal of the  
Repatriation Medical Authority
