Statement of Principles concerning

OSTEOGENESIS IMPERFECTA

No. 36 of 2015

for the purposes of the

Veterans’ Entitlements Act 1986

and

Military Rehabilitation and Compensation Act 2004

Title

1. This Instrument may be cited as Statement of Principles concerning osteogenesis imperfecta No. 36 of 2015.

Determination

2. The Repatriation Medical Authority under subsection 196B(3) and (8) of the Veterans’ Entitlements Act 1986 (the VEA):

   (a) revokes Instrument No. 60 of 2007 concerning osteogenesis imperfecta; and
   
   (b) determines in its place this Statement of Principles.

Kind of injury, disease or death

3. (a) This Statement of Principles is about osteogenesis imperfecta and death from osteogenesis imperfecta.

   (b) For the purposes of this Statement of Principles, "osteogenesis imperfecta" means a genetic disorder of collagen biosynthesis which is characterised by a generalised decrease in bone mass, a propensity to fractures, hearing loss and other connective tissue abnormalities.

   (c) Osteogenesis imperfecta attracts ICD-10-AM code Q78.0.

   (d) In the application of this Statement of Principles, the definition of "osteogenesis imperfecta" is that given at paragraph 3(b) above.
Basis for determining the factors

4. After examining the available sound medical-scientific evidence the Repatriation Medical Authority is of the view that it is more probable than not on the sound medical-scientific evidence available, that the only factor that can be related to the cause of or material contribution to or aggravation of osteogenesis imperfecta or death from osteogenesis imperfecta and which can be related to relevant service rendered by veterans or members of the Forces under the VEA, or members under the Military Rehabilitation and Compensation Act 2004 (the MRCA) is that set out in clause 5.

Factors that must be related to service

5. The factor that must exist before it can be said that, on the balance of probabilities, in relation to the circumstances of a person’s relevant service causing or materially contributing to or aggravating osteogenesis imperfecta or death from osteogenesis imperfecta is inability to obtain appropriate clinical management for osteogenesis imperfecta.

Other definitions

6. For the purposes of this Statement of Principles:

"death from osteogenesis imperfecta" in relation to a person includes death from a terminal event or condition that was contributed to by the person’s osteogenesis imperfecta;

"ICD-10-AM code" means a number assigned to a particular kind of injury or disease in The International Statistical Classification of Diseases and Related Health Problems, 10th Revision, Australian Modification (ICD-10-AM), Eighth Edition, effective date of 1 July 2013, copyrighted by the Independent Hospital Pricing Authority, and having ISBN 978-1-74128-213-9;

"relevant service" means:
(a) eligible war service (other than operational service) under the VEA;
(b) defence service (other than hazardous service and British nuclear test defence service) under the VEA; or
(c) peacetime service under the MRCA;

"terminal event" means the proximate or ultimate cause of death and includes:
(a) pneumonia;
(b) respiratory failure;
(c) cardiac arrest;
(d) circulatory failure; or
(e) cessation of brain function.

Application

7. This Instrument applies to all matters to which section 120B of the VEA or section 339 of the MRCA applies.

Date of effect

8. This Instrument takes effect from 27 January 2015.
Dated this \textit{nineteenth} day of December 2014

The Common Seal of the Repatriation Medical Authority was affixed at the direction of:

\textit{PROFESSOR NICHOLAS SAUNDERS AO CHAIRPERSON}
