

Australian Government
Repatriation Medical Authority

Amendment Statement of Principles
concerning

**TROCHANTERIC BURSITIS AND GLUTEAL
TENDINOPATHY**

No. 69 of 2020

for the purposes of the

Veterans' Entitlements Act 1986
and

Military Rehabilitation and Compensation Act 2004

1. This Instrument may be cited as Amendment Statement of Principles concerning trochanteric bursitis and gluteal tendinopathy No. 69 of 2020.
2. The Repatriation Medical Authority amends, under subsection 196B(8) of the *Veterans' Entitlements Act 1986*, Statement of Principles concerning trochanteric bursitis and gluteal tendinopathy Instrument No. 46 of 2015 (Federal Register of Legislation No. F2015L00011) by:

(A) in clause 6, inserting after factor (g) the following factor:

"(ga) having a significant disturbance of normal gait for at least the four weeks before the clinical onset of trochanteric bursitis or gluteal tendinopathy; or

Note: Examples of conditions which may cause a significant disturbance of normal gait include a deformity of a joint or bone of a lower limb, lower limb amputation, osteoarthritis of a joint of a lower limb and chronic neurological disorders."

(B) in clause 6, inserting after factor (n) the following factor:

"(na) having a significant disturbance of normal gait for at least the four weeks before the clinical worsening of trochanteric bursitis or gluteal tendinopathy; or

Note: Examples of conditions which may cause a significant disturbance of normal gait include a deformity of a joint or bone of a lower limb, lower limb amputation, osteoarthritis of a joint of a lower limb and chronic neurological disorders."

3. The amendments made by this instrument commence on 28 September 2020.

Dated 28 August 2020
