OF THE VETERANS' ENTITLEMENTS ACT 1986

The Repatriation Medical Authority under subsection 196B(9) of the *Veterans' Entitlements Act 1986* ('the Act') makes the following declaration in respect of an investigation to review the contents of a Statement of Principles in force under the Act in respect of Paget's disease of bone, notice of which investigation was gazetted on 26 August 1998 in the Commonwealth of Australia Gazette.

DECLARATION

The Repatriation Medical Authority declares that it does not propose to amend the Statements of Principles concerning Paget's disease of bone being Instrument No.15 of 1996 and Instrument No.16 of 1996, for the reason that the new sound medical-scientific evidence available is not sufficient to justify an amendment to the Statements of Principles already determined in respect of Paget's disease of bone.
