EXPLANATORY STATEMENT

**AMENDMENT STATEMENT OF PRINCIPLES CONCERNING
SYSTEMIC LUPUS ERYTHEMATOSUS
(BALANCE OF PROBABILITIES) (NO. 55 OF 2025)**

VETERANS' ENTITLEMENTS ACT 1986
MILITARY REHABILITATION AND COMPENSATION ACT 2004

1. This is the Explanatory Statement to the *Amendment Statement of Principles concerning systemic lupus erythematosus (Balance of Probabilities)* (No. 55 of 2025).

Background

2. The Repatriation Medical Authority (the Authority) has determined, under subsections 196B(3) and (8) of the *Veterans' Entitlements Act 1986* (the VEA), Amendment Statement of Principles concerning **systemic lupus erythematosus** (Balance of Probabilities) (No. 55 of 2025).
3. This Instrument amends Statement of Principles concerning **systemic lupus erythematosus** (Balance of Probabilities) (No. 48 of 2025) (Federal Register of Legislation No. F2025L00503) by:
 - Correcting a typographical error in section 9 which incorrectly stated the numerical order of factors as 9(1)-9(3), 9(1)-9(7), when the correct order is 9(1)-9(10).

Day of Commencement

4. This Instrument also specifies a day of commencement for the amendment in accordance with subsection 12(3) of the *Legislation Act 2003*.

Consultation

5. Having already undertaken consultation in relation to instrument number 22 of 2016, "Statement of Principles concerning systemic lupus erythematosus" (Federal Register of Legislation No. F2016L00274) the Authority became aware that the numbering of the factors in section 9 was incorrect. The Amendment is a minor, technical one, administrative in nature and does not alter the meaning of the Statement of Principles. No consultation has therefore been undertaken by reason of the nature of the amendment.

Human Rights

6. This instrument is compatible with the Human Rights and Freedoms recognised or declared in the International Instruments listed in Section 3 of the *Human Rights (Parliamentary Scrutiny) Act 2011*. A Statement of Compatibility with Human Rights follows.
