

Australian Government
Repatriation Medical Authority

NOTICE OF INVESTIGATION

Subsection 196B(7A) of the

Veterans' Entitlements Act 1986

The Repatriation Medical Authority (the Authority) gives notice that it intends to carry out an investigation under subsection 196B(7A) of the *Veterans' Entitlements Act 1986* (the VEA) in respect of **non-Hodgkin's lymphoma** as directed by the Specialist Medical Review Council (the SMRC) in Declaration No. 22 which was made under section 196W of the VEA and published in the Government Notices Gazette of 26 November 2013.

The investigation will be limited to matters relating to the following contents of Statements of Principles Instrument Nos. 28 & 29 of 2010 concerning **non-Hodgkin's lymphoma**:

- a. the definition of non-Hodgkin's lymphoma; and
- b. any consequential effects on any factors with regard to non-Hodgkin's lymphoma.

The investigation will review the classification and naming of haematopoietic cancers, in particular chronic lymphoid leukaemia, chronic lymphocytic leukaemia, small lymphocytic lymphoma and non-Hodgkin's lymphoma. The Authority will take account of the recommendation of the SMRC to excise small lymphocytic lymphoma from the Statements of Principles Instrument Nos. 28 and 29 of 2010 concerning **non-Hodgkin's lymphoma**.

The Authority invites the following persons and organisations to make written submissions to the Authority in respect of the investigation:

- a person eligible to make a claim for pension under Part II or Part IV of the *Veterans' Entitlements Act 1986*;
- a person eligible to make a claim for compensation under section 319 of the *Military Rehabilitation and Compensation Act 2004* (the MRCA);
- an organisation representing veterans, Australian mariners, members of the Forces, members of the Peacekeeping Forces, members within the meaning of the MRCA, or their dependants;
- the Repatriation Commission or the Military Rehabilitation and Compensation Commission; and
- a person having expertise in a field relevant to the investigation.

The Authority will hold its first meeting for the purposes of this investigation on **18 February 2014**.

Under the VEA, the Authority is required to find out whether there is new information available about how **non-Hodgkin's lymphoma** may be suffered or contracted, or death from **non-Hodgkin's lymphoma** may occur, and the extent to which **non-Hodgkin's lymphoma** or death from **non-Hodgkin's lymphoma** may be war-caused, defence-caused, a service injury, a service disease or a service death. Persons and organisations wishing to make a submission should obtain a copy of the *RMA Submission Guidelines* from the RMA website [www.rma.gov.au] or by contacting the RMA Secretariat at the address or telephone number below.

All submissions must be in writing and received by the Authority at the address below no later than **3 February 2014**.
