

## CURRENT INVESTIGATIONS

4/11/2025

‡ These investigations are referred to as 'Focussed Investigations' and they are limited in their scope as indicated

**Year Notice  
Gazetted**

|    |                                                 |      |
|----|-------------------------------------------------|------|
| 1  | accidental hypothermia                          | 2025 |
| 2  | accommodation disorder                          | 2025 |
| 3  | acquired cataract                               | 2024 |
| 4  | adrenal insufficiency                           | 2025 |
| 5  | animal envenomation                             | 2024 |
| 6  | benign paroxysmal positional vertigo            | 2025 |
| 7  | bipolar disorder                                | 2025 |
| 8  | blast induced mild traumatic brain injury       | 2025 |
| 9  | bronchiectasis                                  | 2025 |
| 10 | bronchiolitis obliterans organising pneumonia   | 2025 |
| 11 | bruxism                                         | 2024 |
| 12 | central serous chorioretinopathy                | 2025 |
| 13 | cerebral meningioma                             | 2025 |
| 14 | chilblains                                      | 2025 |
| 15 | chronic multisymptom illness ‡ Gulf War Illness | 2025 |
| 16 | cirrhosis of the liver                          | 2024 |
| 17 | cluster headache                                | 2025 |
| 18 | complex regional pain syndrome                  | 2024 |
| 19 | Cushing syndrome                                | 2025 |
| 20 | electrical injury                               | 2025 |
| 21 | female sexual dysfunction                       | 2024 |
| 22 | femoroacetabular impingement syndrome           | 2025 |
| 23 | frostbite                                       | 2025 |
| 24 | Guillain-Barre syndrome                         | 2025 |
| 25 | haemorrhoids                                    | 2024 |
| 26 | hepatitis B                                     | 2024 |
| 27 | hepatitis C                                     | 2025 |
| 28 | herpes simplex                                  | 2025 |
| 29 | immersion pulmonary oedema                      | 2025 |
| 30 | immune thrombocytopaenia                        | 2025 |
| 31 | influenza                                       | 2025 |
| 32 | knee bursitis                                   | 2025 |
| 33 | labral tear                                     | 2025 |
| 34 | localised sclerosis                             | 2025 |
| 35 | macular degeneration                            | 2025 |
| 36 | malaria                                         | 2025 |
| 37 | malignant neoplasm of the brain                 | 2024 |
| 38 | malignant neoplasm of the cerebral meninges     | 2025 |
| 39 | malignant neoplasm of the eye                   | 2025 |
| 40 | malignant neoplasm of the oesophagus            | 2023 |
| 41 | malignant neoplasm of the ovary                 | 2025 |
| 42 | mesenteric panniculitis                         | 2025 |
| 43 | migraine                                        | 2025 |
| 44 | non-freezing cold injury                        | 2025 |
| 45 | occipital neuralgia                             | 2025 |
| 46 | olecranon bursitis                              | 2025 |
| 47 | osteoarthritis                                  | 2025 |
| 48 | panic disorder                                  | 2025 |

|    |                                    |      |
|----|------------------------------------|------|
| 49 | personality disorder               | 2025 |
| 50 | popliteal cyst                     | 2025 |
| 51 | popliteal entrapment syndrome      | 2025 |
| 52 | reactive arthritis                 | 2025 |
| 53 | relapsing polychondritis           | 2024 |
| 54 | rheumatoid arthritis               | 2025 |
| 55 | schizophrenia                      | 2024 |
| 56 | scrub typhus                       | 2025 |
| 57 | sickle-cell disorder               | 2025 |
| 58 | signal to noise ratio hearing loss | 2025 |
| 59 | sinusitis                          | 2025 |
| 60 | smallpox                           | 2024 |
| 61 | substance use disorder             | 2025 |
| 62 | systemic sclerosis                 | 2025 |
| 63 | temporomandibular disorder         | 2025 |
| 64 | tension-type headache              | 2025 |
| 65 | thromboangiitis obliterans         | 2025 |
| 66 | tooth wear                         | 2025 |
| 67 | toxic retinopathy                  | 2025 |
| 68 | ulnar neuropathy at the elbow      | 2025 |
| 69 | Zika virus infection               | 2025 |
