

Statement of Principles
concerning
OSTEOGENESIS IMPERFECTA

ICD CODE: 756.51

Veterans' Entitlements Act 1986
subsection 196B(3)

1. Being of the view that, on the sound medical-scientific evidence available to the Repatriation Medical Authority, it is more probable than not that **osteogenesis imperfecta and death from osteogenesis imperfecta** can be related to eligible war service (other than operational service) rendered by veterans and defence service (other than hazardous service) rendered by members of the Forces, the Repatriation Medical Authority determines, under subsection 196B(3) of the *Veterans' Entitlements Act 1986*, that the factors that must exist before it can be said that, on the balance of probabilities, **osteogenesis imperfecta or death from osteogenesis imperfecta** is connected with the circumstances of that service, are:
 - (a) suffering physical trauma before the clinical worsening of osteogenesis imperfecta; or
 - (b) inability to obtain appropriate clinical management for the osteogenesis imperfecta.
2. Subject to clause 3 (below) at least one of the factors set out in paragraphs **1(a) to (b)** must be related to any service rendered by a person.
3. The factors set out in paragraphs **1(a) and 1(b)** apply only where:
