

Statement of Principles

concerning

FROSTBITE

ICD CODES: 991.0, 991.1, 991.2, 991.3

Veterans' Entitlements Act 1986
subsection 196B(3)

1. Being of the view that, on the sound medical-scientific evidence available to the Repatriation Medical Authority, it is more probable than not that **frostbite** and **death from frostbite** can be related to eligible war service (other than operational service) rendered by veterans and defence service (other than hazardous service) rendered by members of the Forces, the Repatriation Medical Authority determines, under subsection 196B(3) of the *Veterans' Entitlements Act 1986* (the Act), that the factors that must exist before it can be said that, on the balance of probabilities, **frostbite** or **death from frostbite** is connected with the circumstances of that service, are:
 - (a) exposure of an area of the body to freezing temperatures immediately before the clinical onset of frostbite to that area; or
 - (b) inability to obtain appropriate clinical management for the frostbite.
2. Subject to clause 3 (below) at least one of the factors set out in paragraphs **1(a) and 1(b)** must be related to any service rendered by a person.

3. The factor set out in paragraph **1(b)** applies only where:
 - (a) the person's **frostbite** developed before a period, or part of a period, of service to which the factor is related; and
 - (b) the relationship suggested between the **frostbite** and the particular service of a person is a relationship set out in paragraph 8(1)(e), 9(1)(e) or 70(5)(d) of the Act.

4. For the purposes of this Statement of Principles:

“frostbite” means an injury to the skin and subcutaneous tissues and, in extreme cases to deeper structures of the body, from exposure to freezing temperatures, attracting an ICD code in the range 991.0, 991.1, 991.2 or 991.3;

“ICD code” means a number assigned to a particular kind of injury or disease in the tenth edition of the *International Classification of Diseases* 9th Revision, effective date of 1 October 1993, copyrighted by the US Commission on Professional and Hospital Activities, and having the Library of Congress number 77-94472.

Dated this *Twenty-fifth* day of *May* 1995
